*Absolutely*

What did you like / dislike about me working with / for you?

Very friendly and patient. You can really tell that you love to do what you do.

What areas could stand improvement? (please, dont be shy constructive criticism is what helps me improve my systems and grow!)

More resources to choose from especially the lender. When you know more than they do, that's probably a red flag right there, especially if it feels like they are not following your instructions.

Briefly Describe your experience with Jessie Teehee as your Real Estate Advocate:

Wonderful! I couldn't be happier! You are one of the most God loving and honest person I know and I have complete faith in your abilities! It was very nice to meet your daughter Grace as well.
