To Whom It May Concern:

Jesse Teehee has requested a letter of recommendation. Jesse is one of our fathers at Villa Teresa School. He is devoted to his family and realizes his vocation as father and husband. For the last two years, he and his wife have devoted time and talent to helping our school.

Each year we have a Spring Soiree (dinner auction). For the last two years, Jesse has been our auctioneer. He is delightful and encourages the audience to fully participate in the auction. Our families are not an elite bunch, but he has been able to encourage attendees to give and make them realize the item is just what they need.

Jesse does so not pressuring, but his demeanor is so much fun, people give and give without realizing. This has been a great help to our school financially as we are a private school which has no parish to support or subsidize us.

He enjoys what he does. Self-less giving of time is a treasure. We are blest to have Jesse with us and enjoy the integrity of a person who is honest and caring.

Sincerely,

*Sr. Veronica Higgins*
