Dear Mr. Teehee,

Thank you for donating your time at our 2nd Annual Pie Auction Fundraiser at the School for Children in November. The sale of the 7 Live Auction Items raised over \$3,500.00. Who would of thought that people would spend over \$900.00 for a Cherry Pie! Your connection with the audience was crucial to the success of the auction.

Thank you for you help in our cause to raise funds for the children at the School for Children. We certainly hope you are available to return next year for the 3rd Annual Pie Auction at the School for Children.

Gratefully,

Julie L Brant
Director, SNU School for Children
