I am very excited to join the CENTURY 21 Bayshore Real Estate team of Professional REALTORS®, and I look forward to sharing all of the great resources that CENTURY 21 has to offer with my clients.

CENTURY 21 Bayshore Real Estate is a member of the largest residential real estate sales organization in the world, which provides our sellers an excellent opportunity to gain additional exposure for their listed properties.

I have been a full time REALTOR® for over 15 years and enjoy helping families and individuals with all of their real estate needs. I believe in local community involvement and am currently, or have been, involved with the Boy Scouts, Ludington Jaycees, Red Cross, Knights of Columbus, Salvation Army, Ludington Area Chamber of Commerce, Optimists and the Youth Groups. I also enjoy hiking and the beautiful beaches that surround our area.

My goal is to simplify the process of buying and selling real estate. If I can ever be of assistance to you, please do not hesitate to contact me. My extensive experience and proven track record are factors you can count on when working with me. Please give me a call at anytime. I look forward to meeting with you!
