

Those of you who know me, have heard me say "don't use the phone book". If you are needing a handyman, painter, or plumber....please ask me who I have used and would recommend.

I have compiled my **REFERRAL DIRECTORY** and want to share it with everyone in the Gainesville Area.

If you have someone that has done a great job and want to recommend them, let me know who they are and I will add them to this list!
